2020 Abe Wouters Community Service Scholarship

The Edam Credit Union was proud to award the
2020 Abe Wouters Community Service Scholarship to
Jade Cole.

This scholarship has been awarded by Edam Credit Union each year since 1990 in recognition of a graduate at H. Hardcastle School who has demonstrated active community involvement.

Jade is currently enrolled in the College of Agriculture at the University of Saskatchewan.

Congratulations to the 2020 graduating class of H. Hardcastle School. Whether you choose to travel the globe, earn a diploma or degree, or enter the workforce, we wish you the best with your future endeavors!

The Board of Directors of the Edam Credit Union declared a **2019 Patronage Rebate to our membership of $100,000.00!!** This rebate was based on the amount of interest earned and/or paid by members of the Credit Union in the year 2019. We are happy to announce that the
2019 Patronage Rebate payments were processed on June 8th, 2020.

The details of your allocation can be found on a letter that you will have received in the mail in June, as well as on your Member Equity statement that was produced at June month end. If you have any questions or concerns you may call our office at 306.397.2242.

Sharing our financial success with those who helped create it!!

Attention Android Users!! Are you having issues with Deposit Anywhere™?

Newer Android phones have a home button that is just on the screen and is not a physical button. The home button overlays right over top of the camera button on deposit anywhere, so when you try to take a picture of a cheque, you end up pressing the home button instead, taking you back to the home screen.

You can change your phone's settings to turn off the home button to replace the home, back, and show all buttons with "Gestures". Gestures is swiping away apps with a touch to minimize apps or return home instead of using buttons.

Samsung phone:

- Go to the phone's settings;
- Go to Display;
- Go to Navigation bar;
- Select Full Screen Gestures.
- You can now swipe up from the bottom of the screen on the left-hand side to go back, middle of the screen to go home, and right-hand side of the screen to show all minimized apps.

Google Pixel phone:

- Go to the phone's settings;
- Go to System;
- Go to Gestures;
- Go to System Navigation;
- Turn on Gesture Navigation.
- You can now swipe up to minimize the active app or return to the home screen.

**This is a temporary problem. A permanent solution is being worked on. Thank you for your patience!
